Cityscape Artist's Statement

Write a paragraph about your artwork in response to the following questions. Be sure to cite visual evidence from your artwork specifically to support each of your responses.

- What kind of perspective does your cityscape have & does it have a high or low point of view?
- When (time-period / past, present, future) & where (location) might your cityscape exist?
- Describe the different buildings you included in your cityscape.
- What additional items & details did you include in your cityscape?
- How did you use rhythm in your cityscape?
